Artist of the Month

Naomi Wilsey

Naomi Wilsey paints primarily in watercolors with traditional subject matter. She also paints in the Japanese brush painting style called “sumi-e” which means “ink painting.”

Naomi is an art teacher and has a background in graphic design and marketing and communications. She majored in Fine Arts and Education at the University of Colorado and holds a master’s degree in Communications Management from Simmons College where she taught graduate school after graduating.

“A special part of painting to me, is to get lost in the ‘flow.’ That is, to be focused and in the moment of the process where time and place disappear. Florals, landscapes and seascapes are among my favorites for subject matter. Plein air painting is my way to connect with nature. It’s peaceful and gives me time to appreciate natural beauty,” comments Naomi.

She adds, “One quirky type of painting I do is to sketch watercolors in moving vehicles – planes, trains, cars and boats. Don’t worry. It’s when I’m a passenger. I sometimes use pen and ink before or after painting. It’s good practice because when I paint in my stationary studio or at our Dedham Art Association weekly Painting Group, it feels easier!”

In the past couple of years, Naomi has been invited to display her artwork in solo exhibitions at Goddard House Assisted Living in Brookline and Sweetwaters Coffee & Tea, Natick. Her paintings have been juried into national and member exhibits with New England Watercolor Society and Rhode Island Watercolor Society and exhibits at the

Rockport Art Association & Museum, Gallery Twist and Zullo Gallery.

Communicating through art and about art is important to Naomi. She enjoys participating in Needham Open Studios to be able to talk with visitors about her art and processes. She’s given demonstrations / workshops and served as a juror for art associations and loves meeting other artists as a result.

Spring Show, watercolor and acrylic on rice paper by Naomi Wilsey

Naomi is the current Programs vice president of the Dedham Art Association and a past president. She belongs to local art associations and participates yearly in Needham Open Studios.

Her career roles include public school art teacher, Advertising Manager at

Prentice Hall publishing, Senior Marketing Manager for IBM and Marketing Director for Optum (United Healthcare Group.)

She paints and teaches art lessons in her home studio in Needham, MA and is married to kind and patient David, who is a member of Dedham Art Association.

Judy Vilmain

Dedham Art Association's 2023 Fall Members' Exhibit Juror

Judy Vilmain is a psychologist and painter living in Providence, Rhode Island, and is an Exhibiting Artist Member of the Providence Art Club. Her work includes intimate outdoor scenes and still-life paintings.

“With the objects I choose, and the way in which I paint them, I'm trying to present a world that feels familiar, solid, and grounded, hopefully providing the viewer a quiet break from the chaos.”

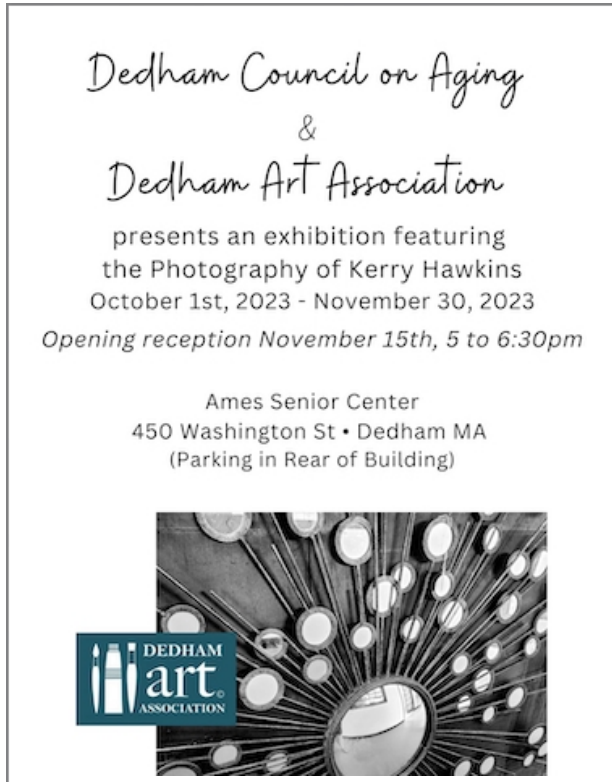

After Party, oil by Judy Vilmain

Regardless of the subject matter, I'm always considering the formal aspects of a painting: color, line, shape, and surface texture. Using these, I work towards a level of realism that still shows the hand of the painter — I want the viewer to keep moving back and forth between "seeing" the three-dimensional objects and seeing the paint and brushstrokes that created the illusion. That back and forth is what I find magical in a painting.”

Dedham Senior Center Solo Exhibit Kerry Hawkins, photographer

Kerry Hawkins will exhibit in October and November at the Dedham Senior Center. Kerry is a fine art photographer and freelance graphic designer, including social media.

She attended the Art Institute of Boston, majoring in graphic design. During that time, Kerry became hooked on photography in my second year of college and has been photographing ever since. She loves taking photos everywhere she travels or just about town. Taking photo wanders provides a way of photographing new places or finding new things in familiar places and some exercise. Nature intrigues her, but she also loves city scenes, anything with peeling paint and a bit of grit. She creates color and black-and-white photos.

“For three years, I have been in the Dedham Art Association. I have made many friends, and their art always inspires me. I also post on Social Media for our artist's group.”

She resides in Dedham with her husband and kitties. The exhibit will be on view at the [Ames Building](#) (Town Hall and Senior Center) at 450 Washington St, Dedham from M – F between 8:30 am – 4:30 pm. If you are interested in applying to exhibit at the Dedham Senior Center, please contact Barbara Sawin at 617-285-7672 or send an email to: DedhamArtAssociation@gmail.com. Nancy van Dam will be exhibiting her artwork in December and January.

Cindy Baron Demonstration Recap

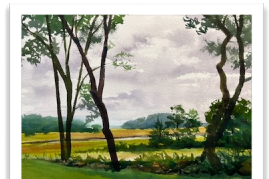

For our September meeting, we were honored to have professional artist, Cindy Baron, provide an oil painting demonstration of a seascape. Cindy donated an original watercolor for the raffle. Nancy Van Dam won the drawing. The drawing benefits our Community Fund.

Plein Air Fall Workshop Recap

Members painted outdoors at Cox Reservation until it got too cold. We had a lunch break at a seafood restaurant. Then KTMorse, our instructor, invited us to paint in the gallery/studio that she and husband, painter Paul George, own. We ended the day with a helpful critique by KT. It started pouring on the drive home. The watercolor is the demonstration by KT. She also did an oil demonstration!
