June Soiree

Dear Members, we had such a great turnout for the June Soiree - thank you for attending the celebration on Zoom. It was a positive way to end a trying year and a great prelude to better things to come. Our first meeting of the new art year will be in September at Endicott Estate, Dedham. If there's enough interest, it is hoped the demonstrations will be Zoomed or recorded.

Best Hat award went to Joan Onofrey and **Fancy Outfit award** went to Adele Rothman (from the Secret Judge).

A note from Naomi Wilsey: Dear Members, it was great to see so many of you on our year-end June Soiree Zoom. I thank you for the thoughtful retirement surprise box, and hanging plant, and your kind wishes. All the gifts are much appreciated and remind me how much I enjoy being part of this art association. I am happy to help with questions from the Board or you any time. Have a great summer! -Naomi

Exhibit Policy for Dedham Art Association

(as of 10-15-2020)

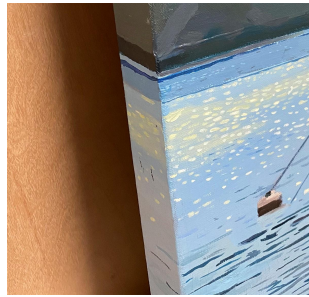

- ❖ **Two-dimensional fine arts categories accepted** include collage, digital art, drawing, painting, pastel, photography, printmaking or multi-media. Reproductions (e.g., giclée prints) and three-dimensional work (e.g., sculpture, fiber arts, jewelry, ceramics) are not eligible for exhibiting.
- ❖ **Artwork for all Dedham Art Association exhibits must be original work** by the artist (e.g., from nature, from real life, from the artist's imagination or the artist's own photo.) Art created in a class or workshop is not eligible for juried or judged exhibits if the artwork was copied and / or not by the artist's own hand.
- ❖ **Juried and/or judged** Dedham Art Association exhibits: artwork must not have been **exhibited** in the last three years in a Dedham Art Association juried and/or judged exhibit. Artwork should have been **created** within the last five years.
- ❖ **Non-juried and/or non-judged** Dedham Art Association exhibits: artwork should have been created within the last 10 years.
- ❖ **Entries** should be unique for the exhibit so that the JPEG / artwork would be part of one exhibit at a time. For in-person exhibits the artwork should remain in place for the duration of the exhibit unless special arrangements are made. Once submitted, the entry is considered complete and cannot be altered.
- ❖ **JPEG** entries of your artwork should be 72 ppi with 1200 pixels on the longest side. Save as the best quality. Please send an email to DedhamArtAssociation@gmail.com if you need help with JPEGs.
- ❖ **Subject matter** should be suitable for general audiences.
- ❖ **For in-person exhibits** a signed waiver form is required.
- ❖ **Commission:** Dedham Art Association receives 20% commission on sales. For most exhibits, entries may be listed as not for sale (NFS.)

Finishing and Hanging

- All work must be wired for hanging (no saw teeth for hangers.) The wire should be attached to the back between 1/3 and 1/4 of the way down the piece.

- Paintings: wet paintings will not be accepted; work must be framed except gallery wrapped canvases which should be finished on all sides with no staples showing.

- Matted Work: white, off-white mats or muted colors that complement the artwork; inner mats may be colored.
- No clip frames unless the entire back is covered with heavy paper- these clips fasten and unfasten so easily; they are not secure.

- Wood or metal frames are recommended. Plastic or plaster frames are not recommended because they can't be securely wired and chip/break easily.
- Plexiglas or styrene instead of glass is required on work larger than 24" either height or width and optional for work smaller than 24" in either direction.
- The Dedham Art Association reserves the right to reject work that does not meet the requirements of this policy.
